

## CARICULUM VITAE

### A. BIOGRAPHY

NAME: Muhoozi Levi Ivor  
SEX: Male  
DATE OF BIRTH: 22 - 2 - 1962  
PLACE OF BIRTH: Kyamurari, Bugongi, Sheema, Bushenyi District, Uganda  
NATIONALITY: Ugandan  
MARITAL STATUS: Married with three children

### B: ACADEMIC QUALIFICATIONS

<u>CERTIFICATE</u>	<u>YEAR</u>	<u>SCHOOL/INSTITUTION</u>
U.C.E	1981	Mbarara High School
U.A.C.E	1987	Old Kampala S.S.S.
Bachelor of Science degree (Botany/Zoology)	1991	Makerere University
Post-Graduate Diploma in Education	1992	Makerere University
International Post-Graduate Certificate in Limnology	1994	Institute of Limnology, Austrian Academy of Sciences, Austria.
Masters of Science degree (Fisheries)	1999	Makerere University
Doctor of Philosophy degree (Fisheries)	2003	The University of Hull, United Kingdom.

### C: SHORT COURSES

<u>COURSE</u>	<u>DURATION</u>
Tropical river – Ecology Initiative Workshop on the Limnology of the Njoro River Held at Egerton University, Kenya.	3 – 23 September 1995
Regional Training Course on Fisheries Data Collection and Data Handling Held at Sunset Hotel, Jinja, Uganda.	5 – 23 January 1998
Regional Training Course on Fish Stock Assessment Held at Arusha International Conference Centre, Arusha, Tanzania.	27 April – 15 May 1998
Training course on safety procedures on Lake Victoria Held at Jinja club and FIRI, Jinja, Uganda.	1 – 4 June 1998

The management of projects, held at the University of Hull, UK      May – June 1999

**D: EMPLOYMENT RECORD**

<u>POSITION TITLE</u>	<u>YEAR</u>	<u>INSTITUTION</u>
Tutor	1991-93	Shimon Teachers' College
Research Officer	1993-94	Uganda Freshwater Fisheries Research Organisation, Jinja (U.F.F.R.O) under the Uganda Government Public service
Research Assistant	1994-99	Fisheries Resources Research Institute (FIRRI), Jinja in National Agricultural Research Organisation (NARO)
Research Officer II	1999-02	Fisheries Resources Research Institute (FIRRI), Jinja in National Agricultural Research Organisation (NARO)
Research Officer I	2005	Fisheries Resources Research Institute (FIRRI), Jinja in National Agricultural Research Organisation (NARO)

**E: MAJOR RESEARCH ACTIVITIES**

1. 1994-1995, Participated in Fish stock assessment activities (field data collection and data processing) in the Lake Victoria Fisheries Research Project.
2. 1996-1998, M.Sc. studies at Makerere University. Dissertation: **The factors affecting fishing effort at selected landings on Lake Victoria.**
3. 1999-2003, Ph.D. studies at the University of Hull, U.K. Title of Ph.D. Thesis: **Exploitation and management of the artisanal fisheries in the Ugandan waters of Lake Victoria**, completed at the end of 2002.
4. 2003 – Present: (a) National Coordinator for Research under the Implementation of A Fisheries Management Plan (IFMP) Project for Lake Victoria (b) Chairperson of the Regional Working group for Catch Assessment and Frame Surveys in Lake Victoria under the Lake Victoria Fisheries Organisation and (c) National coordinator of Catch Assessment activities in Lake Victoria.

**F: OTHER ACTIVITIES – WORKSHOPS AND MEETINGS**

1. 16-20 August 1999 Attended the fourth Fisheries data working group (FIDAWOG) workshop of the Lake Victoria Fisheries research project at Kisumu, Kenya.
2. Represented FIRRI on the Rapid taskforce on Frame survey 2000 meetings: First meeting (9-11 January 2000) in Dar-es-Salaam, Tanzania; second meeting (23-26 January 2000) in Kisumu, Kenya; and third meeting (10-11 February 2000) in Dar-es-Salaam, Tanzania. I was the Secretary of the three-taskforce meetings.

3. 9-10 Feb 2000, Resource person in training of Lake Victoria Frame survey supervisors at Colline Hotel, Mukono.
4. 22-25 March 2000 Supervised the Lake Victoria Frame survey exercise in Jinja, and Iganga districts.
5. 16-22 April 2000 Participated in the Regional Lake Victoria Frame survey data analysis workshop in Dar-es-Salaam, Tanzania.
6. 15-20 May 2000 Attended the Lake Victoria 2000 conference held in Jinja, where I presented a paper on The Relationship between boat size and Fish catches in the gillnet fishery of Lake Victoria, Uganda. I was also one of the Rapporteurs.
7. 13 June 2000 Attended the consultative workshop on management measures of lake Victoria at Colline Hotel, mukono.
8. 15-20 May 2001 Participated in the fifth workshop for the Fisheries data-working group of the Lake Victoria Fisheries research project at FIRRI, Jinja.
9. 12-16 June 2001 Resource person in the training workshop for Fisheries officers from Kyoga basin lakes.
10. 22-31 July 2001 Participated in the Lake Victoria fisheries database workshop held at the Institute of Marine Biology of Crete (IMBC) Heraklion, Crete, Greece.

#### **G: LIST OF PUBLICATIONS**

1. Muhoozi, L.I. (1998) The factors affecting fishing effort and their effects on fish catches at selected landings on Lake Victoria. M.Sc. Dissertation, Makerere University.
2. Muhoozi, L.I. and Ogutu-Ohwayo, R. (1999) The relationship between boat size and fish catches in the gillnet fishery of Lake Victoria, Uganda. *In: Cowx, I.G. and Tweddle, D. (eds) Report on fourth FIDAWOG workshop. LVFRP/TECH/99/07, 63-77*
3. Okaronon, J.O., Muhoozi, L.I. & Bassa, S. (1999) Current status of the fish stocks of Lake Victoria (Uganda). *In: Cowx, I.G. and Tweddle, D. (eds) Report on fourth FIDAWOG workshop. LVFRP/TECH/99/07, 10-25.*
4. Muhoozi, L.I. (2002) Exploitation and management of the artisanal fisheries in the Ugandan waters of Lake Victoria. PhD Thesis, University of Hull, UK. 260p.
5. Muhoozi, L.I. & Kamanyi J.R. (2004) Impacts of fishing gears, fishing methods and fishing effort in the fisheries of Lake Victoria and proposals for management. *In: Balirwa J.S., Mugidde R. & Ogutu-Ohwayo . Eds Challenges for Management of the Fisheries Resources, Biodiversity and environment of Lake Victoria. FIRRI Tech Doc. No. 2. First Edition.*

## **H: CONFERENCE PAPERS AND PRESENTATIONS AT WORKSHOPS**

1. Muhoozi, L.I. (1998) The effect of boat size on fish catches on Lake Victoria. Proceedings of the stakeholders' workshop on the Fisheries of Lake Victoria and Kyoga held at Jinja Municipal Council hall 24-25 September 1998.
2. Muhoozi, L.I. & R. Ogutu-Ohwayo, (1999) The Relationship between boat size and Fish catches in the gillnet fishery of Lake Victoria, Uganda. In Proceedings of Lake Victoria 2000, a new beginning International conference held in Jinja, Uganda 16-19 May 2000.
3. Muhoozi, L.I. (2001) Fish stock assessment: In proceedings of training workshop for the Fisheries officers from Kyoga basin lakes 12-16 June 2001 at FIRRI, Jinja.
4. Muhoozi, L.I. & Kamanyi, J.R. (2001) The changes in fishing effort and fishery yield and their implications on sustainability of the fishery in Lake Victoria. In proceedings of the stakeholder workshop on the fisheries of Lake Victoria held in FIRRI in August 2001.
5. Muhoozi, L.I. & Kamanyi, J.R. (2002) Management of the fisheries of Lake Victoria through control of fishing effort: In Proceedings of the third International Symposium on comparing Great Lakes of the world (GLOW III): Climate, food-webs, biodiversity and integrated management held in Arusha International conference centre, Arusha, Tanzania. 18 – 20 February 2002.
6. Muhoozi, L.I.; Nzungi, P.M.; Othina, A.; & Lyimo, E (2005) Trends in Exploitation of the Fisheries Resources of Lake Victoria. In Proceedings of the Regional Stakeholders' Conference on the State of the Fisheries resources of Lake Victoria and their Management: Concerns, Challenges and Opportunities held in Imperial Resort Beach Hotel, Entebbe 24<sup>th</sup>-25<sup>th</sup> February 2005.
